Renyo

Re-engaging young offenders with education and learning

Learning Objectives

Blue Sessions - Theory

- To explore the methodological problems of working with young people in custody
- To examine the ethical implications of working with young people in custody
- To explore ways of overcoming the methodological and ethical issues.

Reflecting on your Context and Ethical Issues

Task

For this session, you needed to have read the paper (see session 12a)

Adeela ahmed Shafi (2018): Researching young offenders: navigating methodological challenges and reframing ethical responsibilities, International Journal of Research & Method in Education, DOI: 10.1080/1743727X.2018.1529746

To link to this article: <https://doi.org/10.1080/1743727X.2018.1529746>

Use the flipchart paper to highlight relevant key issues in your context.

Our Key Ethical and Methodological Challenges

How may you overcome challenges or address ethical issues.

What will you need?

Whose support?

Which ones are left unresolved?

Conclusions

- Not all ethical issues can be resolved.
Some are compromises
- We have to innovative and be flexible in our methods and be responsive to our learners.
